FOR YOU AND YOUR FAMILY

## COMMON QUESTIONS ABOUT SECTION 125 CAFETERIA PLANS

### How does it work for me as an employee?

By simply changing the way you currently pay insurance premiums from an after-tax to a pretax basis you can see an increase in take-home pay (this figure will vary based on your earnings).

### What can I do with the tax savings?

Some participants in Cafeteria Plans use the tax savings to purchase supplemental insurance products through the convenience of payroll deduction.

### Must I participate in my company's Section 125 Cafeteria Plan?

No, there is no obligation to participate. However, many employees do take advantage of the program when it's made available.
